AUGUST 2019

*In a conscious effort to have a positive environmental impact, straws and water are available upon request

* In compliance with state and federal health regulations, Hinterland is obligated to advise the public that eating raw fish or animal products can be a health risk.

This all started long before you walked in.

Before your arrival here, rich soil was turned. Produce was nurtured, grown and harvested. Local farmers tended to their pastoral landscapes and livestock.

Fish plucked from the briny depths arrived this very morning.

All in preparation for you to walk through our doors. Yes, this is the essence of Hinterland; a celebration of farm-to-table mingled with some of the finest craft beers in Wisconsin.

Glad to have you, what are you in the mood for?

Cheers.
